# 今天早上吃什么?

我和爸爸的星期天

# What's for Breakfast?

*A Sunday morning with Dad*

1 我今年八岁。我爱吃面包，也爱喝牛奶。我爸爸不喜欢面包。他爱吃包子，也爱喝茶。

## 星期天早上

2 今天是星期天。妈妈早上七点就去上班了，家里没有早饭。爸爸说：“我们出去吃吧。你想吃什么？”我说：“我想吃面包，想喝牛奶。你呢？”爸爸说：“我想吃包子，喝茶。”

3 我们家前边有一个小饭店。早上，那儿有包子、面条、鸡蛋，也有面包和牛奶。饭店里有一个老奶奶，她认识我，常常对我笑。饭店不远，我们走路去。

I'm eight years old. I love bread, and I love milk. My dad doesn't like bread. 1
He loves baozi, and he loves tea.

## Sunday Morning

It was Sunday. Mum had gone off to work at seven, and there was no break- 2
fast at home. Dad said, "Let's go out to eat. What do you feel like?" "I want bread," I said, "and I want milk. What about you?" "I want baozi and tea," said Dad.

In front of our building there's a little restaurant. In the mornings it has 3
baozi, noodles and eggs, and bread and milk too. An old lady works there. She knows me, and she always smiles at me. It isn't far, so we walked there.

# 多少钱?

4 老奶奶问：“你们要什么？”我说：“我要一个面包、一杯牛奶。面包多少钱？”“面包六块，牛奶四块一杯。”爸爸说：“我要四个包子、一杯茶。包子多少钱一个？”“包子两块一个，茶三块一杯。”

5 爸爸看了看手机：手机没电了！“没关系，我有钱包。”爸爸打开钱包，里边有十五块钱。我想了想：六块和四块是十块，八块和三块是十一块，十块和十一块是二十一块。“爸爸，我们的钱还差六块！”

# 一人一半

6 爸爸说：“那我不吃了，你吃吧。”我说：“不行！你不吃，我也不吃。”

## How Much?

The old lady asked, "What would you like?" "I'd like a bread roll and a glass of milk," I said. "How much is the bread?" "The bread is six kuai, and milk is four kuai a glass." Dad said, "I'd like four baozi and a cup of tea. How much are the baozi?" "Baozi are two kuai each, and tea is three kuai a cup." 4

Dad looked at his phone: the battery was dead! "Never mind, I've got my wallet." Dad opened his wallet. There were fifteen kuai inside. I worked it out. Six and four make ten. Eight and three make eleven. Ten and eleven make twenty-one. "Dad, we're six kuai short!" 5

## Half Each

"Then I won't have anything," said Dad. "You eat." "No way!" I said. "If you don't eat, I won't either." 6

6 我想了想，说：“我们要一个面包、两个包子、一杯牛奶，一人一半，好吗？”六块、四块、四块，是十四块。我们有十五块，还多一块！

7 爸爸笑了：“好！我的女儿真好！”老奶奶听了，也笑了。她给了我们一个鸡蛋，说：“这个鸡蛋我送你们，不用给钱。”

8 我们坐在饭店门口吃早饭。我吃了半个面包、一个包子，喝了半杯牛奶。爸爸也吃了半个面包、一个包子，喝了半杯牛奶。鸡蛋呢？我们也是一人一半。爸爸说：“面包很好吃！”我说：“包子也很好吃！”

9 回家的路上，我对爸爸说：“爸爸，下次你的手机要有电！”爸爸笑了：“下次手机有电，我们也一人一半！”

I thought for a moment and said, "Let's get one bread roll, two baozi and one glass of milk, and have half each. OK?" Six, four and four make fourteen. We had fifteen, so there was even one kuai left over! 6

Dad laughed. "Good idea! What a daughter I've got!" The old lady heard us and laughed too. She gave us an egg and said, "This egg is a present. You don't have to pay for it." 7

We sat by the door of the restaurant and ate our breakfast. I ate half a bread roll and one baozi, and drank half a glass of milk. Dad also ate half a bread roll and one baozi, and drank half a glass of milk. And the egg? We had half each of that too. "The bread is delicious!" said Dad. "The baozi are delicious too!" I said. 8

On the way home I said to Dad, "Dad, next time your phone has to be charged!" Dad laughed. "Next time, even with a charged phone, we'll still go halves!" 9
